## **WORK EXPERIENCE**

**Teaching Assistant,** The LNM Institute of Information Technology

Teaching Assistant for the Data Structures and Algorithms Course.

Teaching Assistant, The LNM Institute of Information Technology

Date: Aug'18 to Nov'18 Teaching Assistant for the Advanced Programming (Object Oriented Programming using Java) Course.

Web Development Intern, ASME LNMIIT

Date: Dec'17 to Jan'18 Worked on Web App Development at ASME (American Society of Mechanical Engineers) Student Chapter, LNMIIT, Jaipur. Link - https://asme.lnmiit.ac.in

# **PROJECTS**

#### Medical Application, Github Repo.

- RESTful APIs with Node is for serving as a backend for a Medical Application and MongoDB for non-relational database.
- API routes to Search Nearby Doctors, Track Symptom from text and suggest treatment options.
- Used web scraping to list down treatment options, given a medical condition.

# Shopping Cart, Github Repo.

- RESTful APIs with Node is for serving as a backend for Shopping Cart and MongoDB for non-relational database.
- Used JWT for authentication and authorization.

## Blogged, Github Repo.

- A blogging website where one can create, manage, search as well as review blogs.
- For signing up user can use Google+/Facebook/Local Authentication.
- Used Node.js & Express.js for backend, Bootstrap Framework for Frontend, MongoDB for databases.

#### URL Shortener, Github Repo.

- Built a URL Shortener that takes very long URL and converts it into a short one according to the short name provided by the user.
- The shortened URL can be used from anywhere and anytime.
- Used Node.is and Express.is for serving backend and MongoDB for database.

# Chap App, Github Repo.

- A Chat App where user can join a chat room with his/her display name and then exchange messages with active members of the entered room. Users can see list of active members and gets notification whenever a new user joins.
- Used Node.js and Express.js for serving backend.
- Used Socket.io to make use of Web Sockets to allow synchronous exchange between Client & Server.

## POSITIONS OF RESPONSIBILITY

## Member, Entrepreneurship Cell, LNMIIT

- Organiser of event Startup Intern Fair'17, 18.
- Successfully managed to bring 28 startups on ground for Startup Intern Fair.
- Successfully managed to bring 500+ student registrations.

#### Member, SANKALP, LNMIIT

Date: Aug'16 to Aug'17

Successfully organised many Clothes/Blanket Distribution events in Jaipur, worked for upliftment of orphanages.

# Volunteer, E-Fest, India

Date: 03-05 Mar'17

Volunteered HPVC (Human Powered Vehicle Challenge) Event held at E-Fest Asia Pacific in LNMIIT.
